PRESIDENT'S REPORT

TO ALL MEMBERS :

On behalf of all Committeemen and myself I would like to thank all Members, young and old, men and woman alike for their contribution to a most successful 1982/83 season.

As with the previous season, the Club lost several players (due to various reasons) and in its wisdom decided to field only three Senior Teams. With this in mind the Club really put in a remarkable on field season :

- The first XI took off the Club's 13th "A" Grade premiership as well as the inaugural Sprotsvilla Cup and in the process "blooded" several promising young players.

- The "B" Grade, despite continual disruptions to the side, only just failed to make the finals and finished 5th.

- Gid's "C" Graders, with many young players and often suffering the brunt of last minute withdrawals, put in some admirable performances and weren't far away at the seasons end.

- The Under 16's topped off a splendid season with a well earnt premiership. A great team effort, my congratulations to all concerned.

- The Under 14's headed the ladder for almost all the season but unfortunately faded at the very end.

All in all, a magnificent season, congratulations to all Coaches, Captains, Managers, Players and Supporters.

Off the field the Club also started 82/83 by losing several prominent Members. Positions to be replaced included the President, Vice President, Social Secretary and Several Committeemen. In summary, almost a "new team" was required. As has become tradition at Keon Park, we again "rose to the occasion" in the face of adversity. Despite lack of numbers, when compared to previous seasons, the Club managed to provide to Members all the usual amenities as well as several social functions (climaxed in March by a most successful Presentation Night), pay the considerable running costs, coaching and incentive payments and still finish a little in front for the year. A very sincere thank you to the special few who worked so hard to make this result possible.

Whilst it was a year highlighted by great team effort, there were several notable achievements that cannot go unmentioned. Congratulations to :

- Janice McFarlane and Geoff Baker on being awarded the Club's highest honour - Life Membership.

- Clarrie Baker on his appointment as Senior Vice President and Chairman of the Jika Cricket Association.

- Brad Quinsee on being the first player in the Club's history to complete a Double Century.

- Ross McKenzie on leading the Senior side to Three Premierships in two seasons.

- Ray Shaw in his very successful inaugural year as Club Coach and his outstanding effort in the Senior Grand Final.

- Bill McFarlane (Jnr) on completing his 30th consecutive playing season.

- Margaret, Nancy and all the women who help with the afternoon teas.

- To our Patron, Des Jervis for his continual support.

- Finally, to three Members for magnificent contributions throughout the season, Denis Mills, Ian Giddons and Geoff Baker. Keon Park has been blessed with some outstanding workers over the years; these three are up there with the very best.

In conclusion I would like to express my special thanks to my Committee for their hard work throughout the season along with all other Members who helped share the load and urge them for their continued support to Keon Park for the seasons ahead.

Season 1982/83 saw Keon Park again add to its magnificent record and continue to be the Club to be "knocked off". I'm sure we all relish the challenge to keep the Club at that status. To this end, I ask your total commitment to improve even further on these efforts in 1983/84.

CASEY RADCLIFFE
PRESIDENT

TREASURER'S REPORT

Dear Members,

As a whole, I look back on the 1982/83 Season as a season where the Club has been able to provide you, the Members, with an unprecedented amount of benefits etc. for your membership dollar.

This has meant that the Club has not been able to continue its growth (in dollar terms). However the benefits of having happier Members around the place far outweigh the lack of growth that resulted.

A quick examination of the Income and Expenditure Statement shows that :

1. The Gross Profit from Bar Trading has reduced substantially. This has resulted from two factors :

   (a) The desire to absorb as much of any price increase as possible.

   (b) The extraordinarily large amount of "refreshments" purchased for which the Members of the club were not required to pay for.

2. Our revenue from sponsorship reduced by $1,000, however other income has been generated to compensate for this and

3. In the main, our expenditure has remained at a tolerable level and it should be our aim to reduce or at least contain those items of expenditure to a minimum.

It is my firm belief that all Members should have received more from the Club during the 1982/83 season than that contributed by way of Membership fees.

I hope that this will continue in the years to come and with your help and attendance this will be guaranteed.

GEOFF BAKER
HON. TREASURER

APPRECIATION

The Committee of Management wish to express sincere thanks for Club Sponsorship for Season 1982/83.

I.O.O.F.
MISTER R HAIR SALON
VIGOR HEALTH & FITNESS CENTRE

THANKS TO....

Our Patron, Mr Des Jervis for his assistance throughout the year.

Our Ladies for their assistance on home match days with afternoon teas and after match snacks. Your support is much appreciated, not only helping around the Club but also supporting at matches, particularly in the FINALS.

Mr Jack McKenzie for his donation.

To all Captains and junior managers for their co-operation during the season.

All our supporters, contributors and others who played their parts in the operation of the Club for season 1982/83.

COACHES REPORT

As coach of the Keon Park Cricket Club for the season 1982/83, I would like to thank the committee of the club for their assistance in making this season a success.

The winning of two premierships, more importantly one senior and one junior, the club has remained number one in the Jika competition.

Assistance from other senior players and Ian Giddons has made my job easier than I first thought.

Being successful you don't look at the things that the club should try to avoid.

Listed below are matters that I believe the club should be looking at to improve further its' success in Jika.

1. Players at the club must put more into their efforts at training.

2. Pressure players into performing, ie. learn to make senior selection more difficult.

3. Junior coaching, ie. technique. A manager doesn't teach these things.

4. More senior players at junior training.

5. Senior two sides to train different night than thirds and juniors.

These are a few ideas that could assist the club if looked at for next season.

In finishing I have enjoyed my first season as coach of this great club and I hope I have fulfilled the job as the committee wanted.

Every success next year,

RAY SHAW
CLUB COACH

CAPTAINS REPORTS

FIRST XI

The 1982/83 season was another successful one for the Keon Park Cricket Club, with premierships for the Firsts and Under 16's, and victory in the inaugural Sunday knockout competition.

The First Eleven performed only fairly throughout the season but played extremely well in the finals. During the season many new players were given experience of first grade cricket, a situation which will stand the Club in good stead for the future.

The Second Eleven missed the finals on percentage, mainly due to their average performances prior to the Christmas break. To play in finals it is imperative to win games early in the season.

The Thirds had a mixed year with some extremely good performances mixed with some poor ones.

The Thirds performed under difficulties with players throughout the year and as a result they had mixed results through the year. Some of their performances were excellent and others poor. It was only in the last couple of games of the year that they lost their opportunity to play in the finals.

The Under 16's are to be congratulated on their victory in their competition. This was a victory to which all members of the side contributed. Many of the members of this side played with success in the senior sides as well.

The Under 14's had the unfortunate occurance of falling from top position to out of the four as a result of a loss in their final game of the year. The members are to be congratulated on their years performance.

A successful club is normally successful off the field as well, and this applies to Keon Park. Congratulations are thus in order for Casey Radcliffe and his committee, the ladies who do such a lot of work around the club and to the supporters who also do much for the Club.. May the Club continue with its success in the future and as they are the professional Club in an amateur competition, I am sure that they will.

CAPTAINS REPORTS

SECOND XI

The great pretenders of the Club, the team with seemingly endless potential that produces so very little.

For four seasons now, since Leigh's premiership side, we have been saying to ourselves that next season will be the season that the seconds produce something like their true potential and win another premiership. Well, I am sorry to say that another premiership will not happen whilst the lackadaisical attitude of the majority of seconds players continues to exist.

One of the few good things to come out of the second XI's performance last season was the emergence of some very talented young players. Players such as Tim Page, Brad Quinsee, David Owen and Greg Wilson have shown that with the right attitude, dedication and determination they will be the strength of the Club in the near future.

To those guys I point out that, that strength will not eventuate if you sit on your backsides and take things for granted. The only way to prove and improve your talent is to produce out in the centre.

To the rest of the Seconds who either think that they are "past it" or just play for something to do, I suggest that you not only owe it to your team mates but more importantly, you owe it to yourselves to realise some of the undoubted potential that you possess and put some worthwhile performances in the Second's scorebook.

CAPTAINS REPORTS

THIRD XI

Some very good efforts were achieved by this Eleven, however due to lack of numbers and relying on social players, former players and juniors to fill the numbers, this side was ill equiped to beat some teams, particularly clubs which had their First Eleven in this grade.

34 players were used in this grade of which 21 consisted of social/ former players and juniors.

Whilst the improvement in some players, in particular P Blewitt and R Charleston, won them selection in the Second Eleven, most of the younger players gained valuable senior experience and confidence and these players should provide an influx of experienced and capable younger players.

However, if this side is to play in finals, more commitment must be made by several players who, this season, treated cricket as a social sport.

UNDER 16 - COACH/MANAGERS REPORT

It is with great pride and pleasure that I report that season 1982/83 was an outstanding success for Keon Park at the Under 16 level. Not only did the lads snare the premiership but most importantly we saw the emergence of several promising young cricketers who, with the necessary application, will serve Keon Park (or maybe even higher) for many years to come.

Two seasons back, six of the players and myself went through the Under 14 season undefeated only to miss out in the Grand Final. So this years flag for us was sweet revenge.

The season provided several individual highlights but there was no player who did not contribute significantly at some time. The final series typified the team spirit when some of the "supposed lesser lights" really showed their character and performed like true champions.

Season 82/83 was particularly rewarding in that several players turned out with the senior teams and performed admirably. Brad and Willie broke into the First XI which was a great effort.

The results on the field would not have been possible without the assistance of several members and parents. Special thanks to Neville Shaw, John Smith and Ian Giddons. And a big thank you on behalf of the boys to the senior players for their support during the finals.

To my Captain and his deputy, Brad and David, and all the players who represented Keon Park throughout the season - CONGRATULATIONS ON A JOB VERY WELL DONE - and my best wishes to you all in the coming years in your transition into senior cricket.

JOHN RADCLIFFE
COACH/MANAGER

JUNIOR MANAGER'S REPORT

UNDER 14

Missing out on the finals was very disappointing as only two bad performances were made and two outrights were missed by one wicket only.

Generally the team performed very well and Warren Stewart, Anthony Crutchley, and Bertagni and Pipo Alessi all had very good years and the younger and inexperienced players improved as the season progressed.

Only four players had previously consistently played for the Club however, six are now Under 16, the inexperience in playing Jiki Cricket was very costly at the end of the season when pressure was applied in remaining in the finals.

IAN GIDDONS
MANAGER
